

CLEAN BUILDINGS SYMPOSIUM

for the Eastside Cities of Bellevue, Issaquah, Redmond, and Kirkland

Join us for a half-day event for building owners and managers where you will gain valuable insight to the Clean Buildings Act and the resources available to help you improve the performance of your buildings, reduce energy consumption, as well as reach your compliance obligations. Come participate in engaging presentations and panel discussions led by representatives from Department of Commerce, Puget Sound Energy, Bellevue 2030 District, and the Eastside Cities of Bellevue, Issaquah, Redmond, and Kirkland.
